Dear Prospective Parent/ Guardian

The enrollment application window will start on Friday, December 13, 2019, and will end at 11:59 pm (MST) on Sunday, March 15, 2020. If you applied before December 13, 2019, you must re-apply again for the 2020-2021 school year since all old applications have been canceled. For 2019-2020 Academic Years, please contact info@abqse.org after applying if there is an opening for this year.

If you have a child attending our school currently, his/her siblings are exempt from the lottery. However, you must apply for them as well to be considered for admission. Please note that the lottery will be conducted for sibling applicants if there is more sibling(s) than spots available in the grade level.

Interested parents must fill out an enrollment application form for each child they wish to register. Current ASE students will receive re-enrollment packages in the 2nd Semester, and it is due on February 21, 2020. The enrollment application form must be received in the office of ASE by the designated closing date and time for inclusion in the lottery. Forms can be hand-delivered, faxed or mailed, and must contain the signature of the parent/guardian. No e-mailed forms may be accepted unless they are scanned attachments and contain the signature of the parent/guardian. In addition to this, enrollment applications can be made online. https://www.abqse.org/database/applyonline.asp
